

Purin™ pencil toppers

Decorate your pencils and pens with your pal Purin!

1. Print out page.
2. Fold page on the middle dashed line. Glue halves smoothly together.
3. Cut out each topper along the outer solid lines.
4. Use a craft knife or scissors to carefully cut on the dashed lines below the feet of each topper. Do not cut past the lines.

5. Take a pencil or pen and tightly wrap the bottom white strip about 1/2" down from the top. Hold firmly and tape the wrap to itself. To keep topper from sliding down, wrap a piece of tape 3 or 4 times around the pencil or pen - just under your topper.
6. Write on!
